

# The Ten Commandments

*We, the members of the human community speak these words, saying...*

- 1. We shall not limit freedom of thought*
- 2. We shall not cause unnecessary harm to any living thing or the environment*
- 3. We shall be respectful of the rights of others*
- 4. We shall be honest*
- 5. We shall be responsible for our actions*
- 6. We shall be fair in all matters to all persons*
- 7. We shall be considerate of the happiness and well being of others*
- 8. We shall be reasonable in our actions*
- 9. We shall nurture these values by word & deed in our children, family, friends and acquaintances*
- 10. We shall not limit inquiring or testing by their consequences, on any matter, including these Commandments*
